

Photo Themes
2012

We will:				
begin the year with a holiday themed contest with no sharing because of the Christmas Party in December,				
share photos one month and compete on the same theme the following month, and				
require different photos for sharing and for competition.				
SHARING	Theme	Explanation	CONTESTS	Theme
		Must be 2011 Holidays	January	Holidays
February	Vintage	old, antique, outdated, out of style	March	Vintage
April	Natural	not man-made, the world of nature	May	Natural
June	Motion	action, activity	July	Motion
August	Open	free choice	September	Open
October	Food	prepared or not	November	Food
The themes are to get you thinking; they're all open to interpretation,				
but if you have to explain it, you've probably missed the idea.
